COMMENT

The Twitter account of co-founder and CEO Jack Dorsey was briefly suspended Tuesday night before being reinstated.

It is unclear why Mr. Dorsey's account was suspended for about a half hour. When his account was reinstated around 9:15 pm. EST, it initially had fewer than 200 followers.

From elementary school through college I went to school with sheltered upper middle class white boys who could DEVASTATE with a smirk. A facial gesture that weaponized their privilege. Infuriatingly you can't fight that fucking smirk with a punch or words.
